

L. Frank Baum

**American Fairy Tales**  
 By L. Frank Baum (1856-1919)

This collection of fantasy stories was originally serialized in regional newspapers, prior to being published as a complete volume. The stories, as critics have noted, lack the high-fantasy aspect of the best of Baum's work, in Oz or out. With ironic or nonsensical morals attached to their ends, their tone is more satirical, glib, and tongue-in-cheek than is usual in children's stories; the serialization in newspapers for adult readers was appropriate for the materials.
